

Fantastik bogudsalg

Fantastik har af 2 omgange erhvervet os en større samling af engelske SF og Fantasy paperbacks. Planen var at sælge disse, for derved at have penge til yderligere aktiviteter i foreningen. Salget har fundet sted på de sidste par auktioner, men vi vil også gerne give de medlemmer der ikke har mulighed for at komme til auktionerne, en mulighed for at erhverve sig nogle af disse bøger. Jeg har vedhæftet en liste over ca. 300 af bøgerne, som I nu kan bestille fra, hvis der skulle være nogle bøger der har interesse.

Prisen er 20 kr. stk., med den klækkelige rabat at 10 bøger koster 100kr (hver bog ud over de 10 koster 10kr stk.).

Porto tillægges prisen. Ca. porto priser:

Ved 1 bog : 20 kr., ved 10 bøger: 55kr (ca. priser)

Bøgerne sælges ud fra først til mølle princippet, så skynd dig at gennemgå listen og send mail din bestilling til kasserer@fantastik.dk. Du vil herefter modtage en mail med info om den samlede pris inklusiv porto, samt info om evt. udsolgte bøger.

Husk du kan også købe tidligere numre af Himmelskibet, se mere på hjemmesiden
